PLASTIC PACKAGING

12 SINGLE-USE TRIGGER SPRAYS

1 SLIM BOX. 30 BOTTLES.

12 → 1

One box replaces a shelf of plastic. Less freight, less storage, no spills, nothing to landfill.

WHY TEAMS SWITCH

One spray for everything

Kitchens, bathrooms, worktops, glass and painted surfaces.

Pre-dosed

1 sheet = 750ml. No measuring.

Refill, don't rebuy

One bottle, refilled indefinitely.

Zero plastic

Replaces single-use trigger sprays.

HOW TO USE

1

Drop one sheet into a spray bottle.

2

Fill with 750ml of water.

3

Shake until dissolved.

4

Spray and wipe.

1 box

= 30 BOTTLES

SHELF LIFE

Built for the people who clean at scale.

Wherever cleaning happens every day, Leaf shrinks the storeroom, cuts dosing time and ticks the sustainability targets — in one switch.

Zero plastic

100% plastic-free packaging.

Low-temp effective

Full performance from 20 °C.

No microplastics

Sheets dissolve completely.

Compact storage

Slim sheets reclaim shelf and storeroom space.

No shipped water

Up to 16x lighter freight.

No dilution guesswork

Built-in dose — less training, no dosing errors.

Try it. That's the pitch.

One sheet, one bottle — the concept proves itself on the first refill.

HOW TO USE

1

Drop one sheet into a spray bottle.

2

Fill with 750ml of water.

3

Shake until dissolved.

4

Spray and wipe.
