

# Leaf Toilet Cleaning Sheet

Pre-dosed, water-soluble toilet cleaner. One sheet per spray bottle.

Leaf compresses a full dose of toilet cleaner into a thin, ultra-concentrated sheet. Drop a sheet into a trigger spray bottle of water and it dissolves fully. No more needless shipping of water — add water at the point of use. The format is up to 16× lighter than bottled toilet cleaner.

## Pre-dosed

1 sheet per spray bottle. No guesswork.

## Refill, don't rebuy

One spray bottle, refilled indefinitely — no single-use bottles.

## No microplastics

Free from microplastics; the water-soluble carrier fully dissolves.

## Plastic-free packaging

100% plastic-free cardboard packaging, recyclable once empty.

## Up to 16× lighter

Lighter and smaller than bottled cleaners — less freight, less storage.

## Safe storage

A flat, dry sheet — no heavy bottles of liquid chemicals under the sink.

## HOW IT WORKS

**1**

### Dissolve in the bottle

Drop 1 sheet into a spray bottle, fill with water and shake to dissolve.

**2**

### Spray and brush

Spray under the rim and around the bowl, then brush thoroughly.

**3**

### Flush

Flush and inspect; repeat for stubborn staining.
